

THE COMMUNITY HOSPICE

Looking for a way to help your community?

Thought about volunteering for Community Hospice?

We are looking for volunteers to provide support to patients and families in their homes and nursing homes in Washington and Saratoga Counties. Serving as valued members of the hospice care team, volunteers enhance the patient and family experience by helping meet specific needs such as:

- Respite to allow the caregiver to run errands or take a much needed break;
- Decreased feelings of isolation by offering friendly visits for reminiscing, conversation or specifically requested activities like reading or listening to music;
- Assisting with light housekeeping, errands, laundry, etc. that the patient is no longer able to manage.

In order for you to determine whether volunteering with Community Hospice is a good fit for you, we offer informational meeting to discuss roles, expectations, and answer questions.

Tuesday, September 24, 2019 at 1 pm

Community Hospice of Saratoga

179 Lawrence Street, Saratoga Springs, NY

AND

Thursday, September 26, 2019 at 2 pm

Greenwich Free Library/Community Room

148 Main Street, Greenwich, NY

One hour a week can make a huge impact to our families and patients.

Please call if you plan to attend or if you would like additional information.
